

OUR 2024/2025 COLLECTION OF

FALL FAVORITES

TEE JAYS®

SINCE 1976

A close-up, artistic photograph of a person's hand holding a black smartphone. The hand is positioned on the left side of the frame. In the foreground, the dark, textured sleeve of a jacket is visible, featuring a small, dark, rectangular patch. The background is a soft, out-of-focus bokeh of warm, golden-brown and grey tones, suggesting an indoor setting with natural light. The overall mood is sophisticated and modern.

DRESSED FOR ALL WEATHER

Since 1976, we've designed modern basics for men and women. Styles that make life more comfortable – not just on the job but on your days off as well. It started with promotional wear only, but today we also offer our everyday essentials.

Our collection features accessible essentials for any occasion; from elegant dress, shirts and preppy polos to durable and comfy leisure and workout clothes. We prioritize high-quality materials and details like stitching and fit, but we never compromise on design either. We want our designs to look just as good as they feel.

FALL INTRODUCTION

QUALITY AND COMFORT

Fall has finally arrived. Hand in hand with our collection of fall favorites. It's our promise for you to step into the new season in style. Layered up in luxury with premium products crafted from the finest materials. We've meticulously cared for every little detail to ensure that our products do not only look good but also feel incomparably comfortable.

ACTIVE WEAR

Performance isn't about reaching for perfect. It's about exploiting potential – and feeling invincible while doing it. Embrace the freedom to go further or to stay present, to do more or to do less. And to look good no matter if you're on the fly or taking it slow. That's the art of our active series.

TIMELESS CLASSICS

The uniform of fall is neither ground-breaking nor innovative. But it's classic and comfortable. It's tailored and timeless. Designed to reflect enduring elegance, break the bounds of fleeting trends – and to stand the test of time in both design and durability. Season after season.

BUSINESS WEAR

In the world of business, we've passed on the well-preserved treasure of tradition. Added a modern merge of bold and basic. And carefully revolved around quality, design and details to create classical and casual business wear for any professional or personal occasion.

BIONIC-FINISH® ECO

SUPERIOR SURFACE

Be prepared for the unpredictable fall weather with our collection of surface treated jackets. The cutting-edge technology BIONIC-FINISH® ECO ensures that our outerwear is reliably water-repellent and durable, while keeping the fabric breathable – in a responsible way with no harmful substances like fluorinated organic compounds. So that you can stay dry in all conditions and with a good conscience.

BIONIC-FINISH® ECO

Fluorine-free, water-repellent finish for ultimate protection and performance.

RESPONSIBLE JOURNEY

IN TRANSITION TO RECYCLED

Since spring, we've been on a journey to transform our products into recycled by using materials from post-consumer plastic. These materials are broken down and spun into high-quality yarn, which reduces waste without compromising performance or durability.

COMPANY CSR POLICIES

At TEE JAYS we recognize the huge responsibility we hold as a textile manufacturer. And we owe it to our planet and our next generations to do what we can to help foster positive change and promote a more sustainable way of making clothes. Clothes in premium quality that lasts. Within our range, you will find products made in Organic cotton and Recycled polyester fabrics. In 2021 we also became a proud member of Better Cotton. And of course, every product is covered by STANDARD 100 OEKO-TEX®.

Our Code of Conduct is based on UN Global Compact's 10 principles which are based on internationally adopted declarations and conventions on human rights, labour rights, environmental protection and anti-corruption. TEE JAYS does not own any factories, but we cooperate with suppliers that understand the importance of complying with the guidelines of our Code of Conduct about the ethics and behaviour throughout the supply chain.

TEE JAYS is a member of Amfori, the leading global business association for open and sustainable trade. Its mission is to enable each of its members to enhance human prosperity, use natural resources responsibly and drive open trade globally. TEE JAYS participate in Amfori BSCI in order to better monitor and improve the social performance within our supply chains. We endorse the eleven principles of the Amfori BSCI Code of Conduct and recognize that improving working conditions in our supply chains is a necessity for the overall resilience and performance of our business.

TEE JAYS products are covered by STANDARD 100 OEKO-TEX® which is one of the bestknown labels for textiles and guarantee that the clothing does not contain harmful substances. It is the world's leading independent testing institutes and regularly controls all testing for substances which are harmful to human health and the environment. Clothing that are certified by the STANDARD 100 OEKO-TEX® is subject to requirements covering pH value and the content of, for example, pesticides and heavy metals.

The Organic Content Standard/OCS verifies organically grown content and tracks it from the source to the final product. Products certified to the Organic Content Standard/OCS contain organically grown content that has been independently verified at each stage of the supply chain, from the farm to the finished product. The purchase of Organic Content Standard/OCS certified products demonstrates demand for organic agriculture. Organic cotton is produced and certified to organic agricultural standards, which require practices to sustain ecosystems.

The Recycled Claim Standard/RCS verifies recycled content and tracks it from the source to the final product. Products certified to the Recycled Claim Standard contain recycled content that has been independently verified at each stage of the supply chain, from the recycler to the finished product. The purchase of RCS certified products demonstrates demand for recycled content.

TEE JAYS is a proud member of Better Cotton and we are committed to improving cotton farming practices globally with Better Cotton. Better Cotton is sourced via a system of Mass Balance and is not physically traceable to end products. We are committed to sourcing 95% of our cotton as more sustainable cotton by 2025. More sustainable cotton includes Better Cotton and Organic cotton. Better Cotton connects people and organizations throughout the cotton sector, from field to store, to promote measurable and continuing improvements for the environment, farming communities and the economies of cotton-producing areas.

IT'S ALL IN THE DETAILS

STRETCH FLEECE

The perfect in-between-seasons jacket is the one that balances lightweight warmth with versatility. The one that keeps you comfortable through fluctuating temperatures. Let's introduce our Stretch Fleece. It is crafted from polyester and elastane, which makes it flexible for a variety of outdoor adventures. With thoughtfully designed details, the Stretch Fleece becomes an indispensable staple in any wardrobe.

CLIP DOWN ZIPPER PULLER

The clip down zipper puller is both a flattering design choice that holds the zipper in place and a prevention against accidental opening.

TWO FRONT POCKETS WITH ZIPPERS

When the cool fall breeze chills your hands, warm them up in the two practical front pockets with zippers.

CHIN PROTECTOR

Zip up and get joy from the chin protector on cold fall days. The feature shields against the wind and add comfort and warmth to your chin.

SBS ZIPPER

The perfect feature for the changeable fall weather. The SBS zipper ensures that you can adjust as temperature fluctuate.

IT'S ALL IN THE DETAILS

ZEPELIN JACKET

Our Zepelin Jacket is not a bestseller for nothing. The design is simple and carefully crafted down to the smallest detail; the shaped fit and the SBS zippers, the adjustable hem, elastic cuffs, the neck and chin protector, the two side pockets and the inner pocket.

Details which add a practical touch to the tailored fit and timeless design.

300T POLYESTER

The jacket is crafted from a soft 300T polyester, which makes the jacket lightweight, durable, and functional.

POLYESTER LINING AND PADDING

The polyester lining and padding ensure an excellent durability and isolation, so you can stay warm and comfortable through your daily doings.

INNER POCKET AND TWO LARGE FRONT POCKETS

The inner pocket and two large front pockets offer easy and secure storage for your essentials.

SBS ZIPPER

The zipper of a jacket is essential for the life cycle of the product, which is why we use high quality SBS zippers.

PREPARED FOR EMBROIDERY

With a zipper incorporated on the inside of the jacket, it can easily be customized with personal embroidery.

IT'S ALL IN THE DETAILS

LITE JACKETS

This lightweight padded jacket is made of recycled polyester and insulated with premium DuPont™ padding. The matte textured 1×1 ripstop fabric and clean Scandinavian design gives this jacket a modern silhouette. It features a quality SBS zipper, inner pocket, and two large front pockets.

RIPSTOP FABRIC

The 1×1 ripstop fabric has a strong grid pattern that prevents small tears from spreading. The result is a lightweight and durable jacket.

WATER REPELLENT

The Lite Jacket has undergone a surface treatment with Bionic-Finish ECO, which makes it dense to withstand water.

DUPONT™ PADDING

The Lite Jacket is lined with premium DuPont™ padding to provide exceptional warmth and comfort without adding unnecessary bulk.

SBS ZIPPER

The zipper of a jacket is essential for the life cycle of the product, which is why we use high quality SBS zippers.

PREPARED FOR EMBROIDERY

With a zipper incorporated on the inside of the jacket, it can easily be customized for personal embroidery.

ADJUSTABLE HEM

Tighten or loosen the bottom edge of the jacket with its adjustable hem to keep warm in and block the cool fall wind.

LITE HOODED JACKET

Style 9646 Men's / 9647 Women's

This lightweight padded jacket with hood is made of recycled polyester and insulated with 25% extra premium DuPont™ padding than style 9644. The matte textured 1×1 ripstop fabric and clean Scandinavian design, give this jacket a modern silhouette. It features a quality SBS zipper, inner pocket, two large front pockets, and is designed with invisible elastic cuffs.

MAKE IT PERSONAL

YOUR TAILORMADE COLLECTION

YOUR PERSONALIZED COLLECTION

Elevate your brand promotion with a variety of styles and techniques tailored to your preferences and the type of collection you choose. Explore a diverse range of techniques perfectly suited for our collection right here.

CLASSIC EMBROIDERY

Embellishing your apparel with embroidery is consistently an impactful method to infuse your unique style and add a personal touch. Choose contrast colour or tone-to-tone approach. Each imparts distinct expressions while maintaining a lasting and professional impression.

3D EMBROIDERY

Enhance your brand with 3D embroidery, where a raised effect adds depth and dimension to your design. This technique not only makes your logo stand out but also gives it a bold, premium feel. The 3 mm lift from the fabric creates a distinctive and memorable look that ensures to leave a lasting impression.

RUNNING STITCHES

Running Stitches creates a beautiful look that makes your brand stand out with a clean and simple look. Ideal for illustrations, this technique excels in visual impact rather than textual representation.

THE ORIGINAL HOLDS THE FUTURE

Our primary goal is to stay focused and do what we do best – that is to provide great service and to produce high-quality basic products. We are strong in design, stocking, and we maintain focused on high standards and continue to deliver the absolute best in profile clothing.
